Dear Parent/Carer,

I am writing to inform you that we have decided that from Tuesday September 1 we will require all staff and secondary students to wear face coverings in communal areas, such as lines, hallways, and corridors.

The safety of our students and staff is our utmost priority as a Trust, and we believe that this will be instrumental to ensuring the risk of transmission within school is vastly reduced.

We will not expect our primary pupils to wear face coverings, but of course if any pupil would like to wear a face covering they will be supported to do so. We do ask that pupils wear a plain face covering with no emblems or pictures.

Please note that the wearing of face coverings will be in addition to ensuring social distancing measures are in place wherever possible in school, and will not replace any of our other measures to ensure the health and wellbeing of pupils and staff.

If you have any questions or concerns about this policy please do contact the school office.

Yours sincerely,
