

Landau Forte Charitable Trust Scheme of Delegation

Introduction

The Scheme of Delegation sets out the delegated powers between the different bodies involved in the governance and operation of the Trust and member academies. This scheme of delegation is reviewed annually. The bodies include:

1. Trust Members
2. Trust Board of Directors
3. Trust Finance and General Purposes Committee
4. Trust Audit and Risk Committee
5. Trust Remuneration Committee
6. Education and Standards Committee
7. Trust Chief Executive Officer
8. Academy Committee
9. Trust Deputy Chief Executive Officer and Chief Finance Officer
10. Executive Leadership of the Trust
11. Principal of a group of or an individual Academy

The delegated powers are broken down into different levels in line with the Trust's principles of governance, leadership and operation. The delegated autonomy for individual academies is aligned with the need for the Trust to fulfil its corporate responsibilities and accountabilities to the Department for Education (DfE), Education & Skills Funding Agency (ESFA), HMRC and Companies House.

Governance Overview

There are five main bodies in the Trust's governance structure, each with defined responsibilities. The basis of these are as follows:

Members

The members should receive information in a timely manner concerning the Trust's and the underlying Academies activities and their approval will be required on a range of matters concerning general direction of the Trust in accordance with specific delegated powers.

If they have concerns that the Trust is not fully complying with its objectives, they do have the ultimate powers to remove Trustees. The Members have the overall power over the Trust including the ability to wind it up.

Members will remain fully informed of trust business through receipt of all Trustee papers to ensure that the board continues to practise good governance.

- Ability to wind up Trust
- Ability to change Articles of Association
- Select and deselect Directors of the Trust
- Appoint new members or remove existing members other than, where there is one, the foundation/sponsor body and any members it has appointed
- Appoint trustees as set out in the Trust's articles of association and powers under the Companies Act 2006 to remove trustees
- Appoint the Trust's external auditors and receive (but do not sign) the audited annual report and accounts (subject to the Companies Act)
- May, by special resolution, issue direction to the trustees to take a specific action
- Have power to change the company's name and, ultimately, wind it up.

Trust Board Directors (Trustees)

The responsibility to conduct the academy trust's business sits with the Academy Trustees. If, however Trustees are unable, or unwilling to act in the best interests of the academy trust the Members are able to and should consider using the powers available to them.

- Legal responsibility to DfE for all Academies
- Strategy and direction of the Trust
- Financial stability and financial probity
- Recruitment of senior staff, including Principals.
- Monitoring effectiveness of governance structure

Finance and General Purposes Committee

- Review and recommendation of budgets prepared by the Finance team, in conjunction with Academy Principals.
- Monitor performance against agreed budgets
- Review and recommendation of Capital spending plans
- Oversight of Treasury and investment functions

Audit and Risk Committee

- Recommendation to appoint external auditors
- Review of external audit reports
- Review of risk register as prepared by Finance Team
- Review of Directors expenses

Education and Standards Committee

- To act on matters delegated by the Trust Board
- To liaise and consult with other committees where necessary.
- To monitor and contribute to the Academy Improvement Plans.
- To consider safeguarding and equalities implications when undertaking all committee functions.
- To monitor and contribute to Trust strategies and projects supporting educational improvement.

Academy Committee

- Monitor and validate measures of academic progress
- Monitor and validate teaching quality assessments
- Monitor and validate use of Pupil Premium Grants
- Ensure compliance with Safeguarding and Special Needs policies
- Support Academy with key processes in line with the terms of reference

Trust Policies

A key task for the Trust is to develop and monitor a range of policies that member academies are expected to adopt. These policies are summarised in the LFCT Handbook, available to all Trustees and Governors via the Portal and Staff via the Trust Intranet; policies include those listed below:

| Operational Policies | Employment & Staff Policies |
|---------------------------------|---|
| Whistleblowing Policy | Remuneration Policy |
| Financial Policies & Procedures | Grievance & Disciplinary Procedures |
| Safeguarding Policy | Staff Development & Training Policy |
| Health & Safety Policy | Maternity, Paternity and Parental Leave |
| Data Protection Policy | Staff Recruitment Policy |
| Freedom of Information Policy | Staff Attendance Policy |
| Complaints Policy | |
| SEN & Inclusion | |

Delegated Powers

Three different levels of delegated power are listed below but it should be noted that not every task requires all levels of delegated power to be defined and that there are other levels not listed, such as propose, consult and implement.

- Member Approval – additional approval (X)
- Approve (A)
- Recommend (R)
- Monitor, Question & Report (M)

The Scheme of Delegation should be read in conjunction with the Trust's Articles of Association and

the Terms of Reference for the relevant body. While the Scheme is designed to be comprehensive it will not cover every task.

Where there are queries these should be initially directed to the Trust's Company Secretary.
